Program Year 2021 Application Due Dates

The Peoples Gas and North Shore Gas Energy Efficiency Programs are preparing to close out program year 2021. Please submit all 2021 project applications according to the dates below to avoid delays in payment.

- **Custom Projects:** Applications due before December 1, 2021
- **Prescriptive Projects:** Applications due before December 15, 2021
- **HVAC and Weatherization Projects:** Applications due before January 12, 2022

Peoples Gas Home Energy Rebate Program Project Waitlist Update

Effective October 15, 2021, new HVAC, water heating and smart thermostat **project applications** will be placed on a waitlist. Should program funds become available, projects will qualify for incentives on a first-come, first-served basis. If funds do not become available in 2021, the program team will contact you in 2022 to verify your application information, and inform you of next steps.
