Trade Ally Spotlight

Single-Family Residential HVAC

Thank you to the following trade allies for their outstanding participation throughout July. Combined, they achieved a therms savings of **33, 544.31**.

- Four Seasons Heating and Air Conditioning: **11,699.60** therms
- Abt Electronics: **12,938.36** therms
- All Temp Chicago Heating & Air Conditioning: **8,906.35** therms

Single-Family Residential Weatherization

Thank you to Arc Insulation and Green Attic Insulation for their participation in the Home Energy Rebate Program. Year-to-date, Arc Insulation has completed **104 projects** and Green Attic has completed **330 projects**. Your continued contributions are valued and we look forward to your on-going partnership throughout 2021 and beyond!
